### **COSMOPROF Asia Ltd Announces Inaugural of Beauty Ingredients & Formulation Asia**

**Hong Kong, November 13, 2024** – Cosmoprof Asia Ltd. is excited to announce the official launch of the Beauty Ingredients & Formulation Asia event, set for 11-12 November 2025 in AsiaWorld-Expo, co-located with Cosmoprof Asia and Cosmopack Asia. The event is a joint venture between BolognaFiere Group and Informa Markets, co-organized by Hong Kong Society of Cosmetic Chemists (HKSCC) and China Society of Cosmetic Chemists (China SCC) with the support of International Federation of Societies of Cosmetic Chemists (IFSCC).

This groundbreaking event will unite cosmetics and beauty industry professionals to showcase new ingredients, formulation, technology, and scientific applications, fostering collaborations, facilitate the needs of sourcing and promote new innovations across cosmetics, beauty and health industries.

Beauty Ingredients & Formulation Asia is an all-in-one event with symposium, customized business matchmaking and exhibitions. At the core of the event are pre-scheduled, one-on-one meetings between quality hosted buyers and suppliers, ensuring every conversation is meaningful and impactful. Alongside these curated interactions, attendees can enjoy networking parties, and keynote speeches from industry thought leaders. It is a must attend event for industry professional to formulate new products, discover business opportunities, connect with new partners, exchange expertise and learn about the latest trends and applications that shape the future of the industry.

“The launch of Beauty Ingredients & Formulation Asia is strategic for the development of the cosmetics industry in the Asia Pacific region.” said Antonio Bruzzone, General Manager BolognaFiere Group. “Stakeholders and suppliers specializing in ingredients, raw materials, and formulation will be able to benefit from outstanding business tools and networking opportunities with peers and potential partners, thus exchanging new solutions and technologies for the evolution of the sector”.

“Asia is a pivotal market for the cosmetics industry. Beauty Ingredients & Formulation Asia is committed to empowering cosmetic professionals and support the industry growth in Asia Pacific region.” said Margaret Connolly, CEO and President of Informa Markets Asia. “We're thrilled to unite industry experts to share their insights and expertise, showcase the latest ingredients and formulation, present their scientific advancements, and forge relationships that will shape the future of beauty and cosmetics in the Asia Pacific.”

“The Asian cosmetic raw materials market is experiencing significant evolution. According to the Industry Arc Forecast for 2024-2030, the current worldwide market value stands at \$23.6 billion USD, with a projected CAGR of 4.1% from 2022 to 2027. The Asia Pacific region held the largest share of the cosmetics ingredients market. The consumption of beauty care products, particularly skincare, has surged in the region. China is emerging as a significant player on the raw material side. Chinese Pharmaceutical companies are increasingly entering the cosmetic raw materials sector, expanding their offerings to cosmetic active ingredients. The interaction of pharmaceuticals and cosmetics leads to a rise in cosmeceutical products.” said Francis Kwan, HKSCC Senior Board Committee. “China SCC, HKSCC, with the support of IFSCC are proud to be part of the Beauty Ingredients Formulation Asia organising committee together with Cosmoprof Asia Ltd. We will host the Scientific Symposium, featuring discussions on key topics such as “Healthy Aging” at the Beauty Ingredients and Formulation Asia. Together, we will create the Asia Pacific Hub of Science in beauty.”
